

In order to bill your personal or business credit card for services we provide to you, you MUST provide proof of ownership of the credit card you shall use to pay for your account, in an attempt to prevent fraudulent credit card use. **This document must be signed and faxed back to us before we will accept payment by credit card.**

BILLING CONSENT AGREEMENT

I _____ (name as it appears on Credit card) acknowledge that I am a client of SuperStacks. I acknowledge that SuperStacks Corporation shall use my credit card information on file to bill me for services I order.

I also acknowledge that I have submitted my credit card information to SuperStacks Corporation and authorize SuperStacks Corporation to automatically debit my credit card account for payment of service rendered by SuperStacks Corporation.

I acknowledge that I have received login access to my online billing history so that I shall be able to track invoices and payments made to SuperStacks Corporation.

I have read and acknowledge SuperStacks Corporation. Acceptable Use Policy sent to me
